Press Release

The Public Commissioner was present today at the Appeal Chamber while initiating the judicial review of the appeal filed against Decision no. 657/2023, of the Independent Qualification Commission, for the assessee, Mr. Periand Teta, elected by lot as a legal assistant at the High Court of the Republic of Albania.

The Public Commissioner, after reviewing decision no. 657/2023, of the Independent Qualification Commission, considers that this decision is not clear and not convincingly reasonable in its entirety in terms of the legal motivation of the termination of the transitional re-evaluation process for the assessee, Mr. Periand Teta, under the conditions of Article 95 of the Administrative Procedure Code, thereby justifying the non-application of Article G, of the Annex of the Constitution, as the judicial jurisprudence of the Chamber determines in similar cases.

The Public Commissioner requests that the appeal grounds be considered by the Appeal Chamber and, pursuant to Article 66/1, letter "b", of Law No. 84/2016, to decide the amendment of decision no. 657/2023, of the Independent Qualification Commission, for the assessee, Mr. Periand Teta.

Pursuant to point 1, Article 16 of the regulation of the Institution of Public Commissioners, the appeal is published on the official website of this institution: <http://ikp.al/ankime>
